X. ADMINISTRATOR'S REPORT

- A. **Department Reports**
 1. Administrator's Report

Administrator Robertson reported that Open Book is scheduled for Tuesday, May 3, 2016 from 9:00 AM to 11:00 AM with Board of Review scheduled for May 27, 2016 from 1:00 PM to 3:00 PM.

The annual audit went very well. Auditor John Knepel will be in attendance at the Village Board meeting on April 18, 2016.

The Spring General Election is Tuesday, April 5, 2016 from 7:00 AM to 8:00 PM.

Also, the first pre-construction meeting is scheduled for Thursday, March 24, 2016 at the Department of Transportation (DOT) office in Milwaukee for the Main Street Project. This project is scheduled to begin in mid-April and be completed before Family Fun Before the 4th on June 25th. DOT inspectors will be on site during this project.

2. **Building Inspection Department (Receipt)**
 - a. February, 2016 Report

The Building Inspection Department Report was received.

XI. ATTORNEY'S REPORT

No Report.

XII. COMMITTEE REPORTS

- A. **Review and approval of Resolution 2016-05 Final Special Assessment Resolution For the Main Street/Green Bay Road Water Project**

Administrator Robertson explained that now that the Public Hearing has been held and the Resolution is approved, the resolution will be published in the News Graphic, each property owner that is affected will get a copy of the Resolution and final bills will be mailed. The property owner can pay this in advance or it will go on the tax roll. The terms associated with the invoice are 30 days to pay or the balance will start to accrue 3% interest annually starting on June 1, 2016.

President Mobley clarified that if the property owner does nothing with the invoice, the amount will be put on their tax bill.

Trustee Heinritz inquired as to what the participation was for hooking up to municipal water on Main Street and Green Bay Road. Administrator Robertson shared that 90% of the affected property owners had service installed to the property line; 90% have not hooked up yet but have committed to do so within the next three years in order to take advantage of the 10-year payment plan. The overall cost of the project is \$1.3 million. There was a slight increase due to more property owners hooking up and an increase in service size. This payment will be repaid over a 10-year period. For those property owners that did not agree to the 10-year payment plan, the cost of hooking up at a later date will be more costly and the assessment will be deferred until the property is sold or the property is hooked up to the water main.

Administrator Robertson reported that the cost was based on frontage at \$18.08 per foot and the unit assessment was about \$3,700. The unit price was slightly lower because of a new development in the rear of Whitecoach Condominiums that is planned for 2016. There was an additional length charge which is for Village sewer at the Lift Station. There was also an additional tapping and plug charge of \$1,500 for an owner that wanted to connect after the project was complete.

Trustee Heinritz clarified that the costs will vary depending on frontage, the unit charge is flat and the other service charges are dependent upon what the property owner decides for service size.

MOTION by Trustee Lange, **SECONDED** by Trustee Heinritz to approve Resolution 2016-05 Final Special Assessment Resolution for the Main Street/Green Bay Road Water Project. **MOTION CARRIED UNANIMOUSLY.**

B. Review and approval of appointing Jesse Daily to the Zoning Board of Appeals

Neil Trilling will be resigning from the Zoning Board of Appeals.

MOTION by Trustee Lange, **SECONDED** by Trustee Heinritz to approve appointing Jesse Daily to the Zoning Board of Appeals. **MOTION CARRIED UNANIMOUSLY.**

C. Review and approval of Certificate of Recognition for Attaining the Rank of Eagle Scout, Nathan Grisa, Boy Scout Troop #852

MOTION by Trustee Heinritz, **SECONDED** by Trustee Kucharski to approve a Certificate of Recognition for Attaining the Rank of Eagle Scout, Nathan Grisa, Boy Scout Troop #852. **MOTION CARRIED UNANIMOUSLY.**

NEXT ORDINANCE NUMBER:	2016-01

XIII. REPORTS AND COMMUNICATIONS

XIV. BUSINESS FROM THE FLOOR

A. Citizens to be Heard

Open to any citizen who wishes to speak on items not on the agenda. Please step to the podium and give your name and address for the record.

Administrator Robertson read a letter received from George H. Schurmann at 211 Madero Drive. Mr. Schumann's lawn in his back yard is becoming soggy so grass does not grow well making it difficult to mow. In winter the standing water turns to ice. Any standing water is causing wet basement walls, which is creating an unhealthy environment in the house for his wife who suffers from an asthmatic condition. Mr. Schurmann believes this is occurring because of his neighbor's in-ground pond and is seeking the help of the Village as contact with this neighbor has not helped. Administrator Robertson will consult with Director of Public Works Andy LaFond on this matter.

Chief Nicholson did report that the Police Department has been contacted many times regarding this matter and that Mr. Schurmann's neighboring property is slightly higher in elevation. Chief Nicholson explained that Mr. Schurmann was asked to call the Police Department when there was an issue.

Attorney Feind stated that this is a civil matter.

XV. UNFINISHED BUSINESS

Re: Police Department's Monthly Report

Gentlemen,

I wanted to include more information to the board on a monthly basis regarding the activity of the Police Department.

The charts and graphs included hopefully will give you a clearer picture of the types of calls and number of calls our department responds to including traffic contact and miscellaneous calls.

I would be more than happy to explain any or all the reports supplied to you.

Thank you for your ongoing support,

Sincerely,

A handwritten signature in cursive script that reads "Scott Nicholson".

Department of Public Works Report

Sanitary Sewer Private Property I/I

The investigative portion has been completed. Staff is now using that information to design improvements in the study area

Park

Staff are working on completing a storm sewer extension and turf improvements alongside the east parking lot.

Snow Operations

The Village will be temporarily storing the City of Mequon's road salt in our salt storage building while they construct a new facility

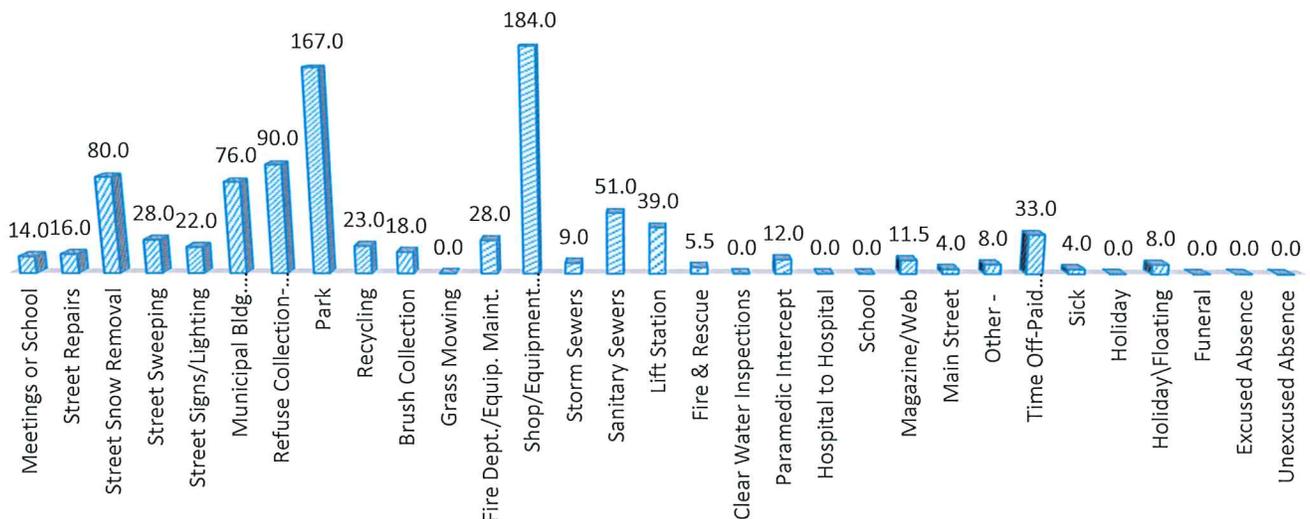

GIS

Staff have been busy updating the Village GIS (Geographical Information System) staff are now performing manhole inspections. In 2015 the Village partnered with all of the other municipalities in the county and Ozaukee county to take new orthophotography. That information has been uploaded to the GIS site.

**VILLAGE OF THIENSVILLE
COMMITTEE OF THE WHOLE
MINUTES**

DATE: Monday, April 11, 2016

**LOCATION: 250 Elm Street
Thiensville, WI**

TIME: 6:00 PM

I. CALL TO ORDER

President Mobley called the meeting to order at 6:00 PM.

II. ROLL CALL

President:	Van Mobley	
Trustees:	Kim Beck	Kenneth Kucharski
	Ronald Heinritz	David Lange
	Rob Holyoke	John Treffert
Administrator:	Dianne Robertson	
Staff:	Director of Public Works Andy LaFond	
	Police Chief Scott Nicholson	
	Asst. Administrator Colleen Landisch-Hansen	
	Clerk Amy Langlois	

III. BUSINESS

A. Review Capital Expenditures List

Administrator Robertson reported that there are no new requests.

Trustee Holyoke questioned the purchase of a couple heating units that were installed in the Fire Department and at the Department of Public Works. These were not budgeted for and needed to be replaced. Administrator Robertson reported that the units failed and needed to be replace and that there will most likely be money left over in Capital to accommodate.

**B. Review and recommendation regarding Use of Village Right-of-Way for Fiddleheads,
192 South Main Street**

Administrator Robertson shared a GIS photo of Fiddleheads at 192 South Main Street. Fiddleheads is proposing to construct a gazebo structure to the south of their current building. As proposed, the gazebo comes right up to the Village right-of-way. Fiddleheads is also requesting a 0-foot setback and will seek a variance to the 5-foot set back from the public right-of-way. The Zoning Board of Appeals is scheduled to meet in May. Fiddleheads is proposing to put pavers and a fence just east of the sidewalk. Fiddleheads is seeking Village Board approval to use the Village right-of-way, there will be no permanent structure in the right-of-way.

Trustee Kucharski inquired as to if this structure is permanent. Administrator Robertson shared that it is a permanent structure. This structure has been reviewed by Ruckert & Mielke for floodplain issues.

MOTION by Trustee Lange, **SECONDED** by Trustee Holyoke to recommend to the Board to Allow Use of Village Right-of-Way for Fiddleheads, 192 South Main Street Contingent Upon Approval at Historic Preservation Commission, Plan Commission as well as Zoning Board of Appeals. **MOTION CARRIED UNANIMOUSLY.**

C. Review and recommendation to Approve the Professional Services Agreement Between the Village of Thiensville, Wisconsin and SAFEbuilt Wisconsin, LLC And Increase of Fees

Administrator Robertson shared that SAFEbuilt purchased Independent Inspections about 8 months ago and provided the Board with the contract between the Village and Independent Inspections. This contract is from the year 2008. SAFEbuilt is proposing a new contract with new fees. In most cases the minimum due goes up \$10 and some of the per square foot fees have changes slightly.

In attendance from SAFEbuilt were Mike Post, Kati Vokovitch and Paul Mortimer. May of 2015 is when the principal owner of Independent Inspections was looking to move on and sell the business. SAFEbuilt purchased Independent Inspections. The core services and the states covered were exactly the same. There have been a few changes, mostly of which have been technical in nature.

Mr. Post approached Administrator Robertson about a month ago regarding the current contract and is proposing a few moderate fee increases. Thiensville appears to be on the low end when compared to other municipalities. This may be an opportunity for the Board to look at the fees to increase them in order to bring more money in to the Village.

Plan Review typically has been done at no charge. Proposed is \$0.08/SF or \$200/MIN for Residential while Commercial Plan Review fees will remain the same.

Administrator Robertson shared that based on the Fee Comparison, the Village of Thiensville's minimums are higher than the City of Mequon and questioned as to why that is. The Village's minimums currently are in line with other municipalities.

Below is a comparison of the current fees to the proposed fees:

	CURRENT	PROPOSED
RESIDENTIAL:		
Building Permit	\$.12/SF; \$75 MIN	\$.12/SF; \$100 MIN

HVAC	\$45 + \$.05/SF; \$50 MIN	\$45 + \$.05/SF; \$75 MIN

Inspector Paul Mortimer shared that many times the fees for a remodel fall in line with the minimum dollar amount. The Plan Review is currently included in the inspection fee. Mr. Post is recommending to charge a fee for Plan Review. The split from the fees is 90% SAFEbuilt/10% Village.

Trustee Treffert inquired as to what the minimum permit fee would cost a resident to remodel a bathroom. Administrator Robertson shared that \$60 would be charged for the Remodel, \$50 for Plumbing, \$50 for HVAC and \$200 for Plan Review.

Committee of the Whole, meeting minutes

Page three of ten

The Plan Review charge for a remodeling project is concerning to Trustee Holyoke. Mr. Mortimer does a plan review on all applications. It was suggested to have a square foot charge for plan review instead of a flat fee. Mr. Post suggested dropping the \$200 MIN fee for a residential remodel to \$100 MIN.

President Mobley expressed the concern that the Village does have an interest in residents remodeling their homes and does not want to deter projects with large fees for permits.

Trustee Treffert asked if some examples could be shared of typical projects and the costs associated. Mr. Post agreed to compile some comparisons of projects, new and remodeling, and will share with the Board at the Committee of the Whole meeting in May.

Mr. Mortimer shared that there have been many changes in the industry over the years. Mr. Post explained that Paul Mortimer does the first inspection with the contractor, if he sees something amiss, he will talk with the contractor and ask for any corrections to be made, then a follow-up inspection is made; he may then see something else that was not corrected and then a third inspection is required. Inspections will be made until the project is complete and correct.

There are re-inspection fees, but Mr. Mortimer explained that rarely is that imposed. Trustee Holyoke suggested charging this if needed.

Mr. Mortimer did share that in many cases, when a contractor does take out a permit in the Village, it is shared that the fees in the Village are less than others in the area.

Mr. Post will come before the Board at next month's Committee of the Whole meeting with comparisons to share.

D. Review and recommendation to Dissolve the Thiensville Business Renaissance Commission

Trustee Lange reported that when the Thiensville Business Renaissance Commission (TBRC) first started, the Thiensville Business Association (TBA) had a lack of leadership. Since Jesse Daily and Marc Mrugala joined the TBA, this has changed and both have brought great energy to the Association.

Trustee Lange explained that it is up to himself and Trustee Beck to lead the TBRC and is unsure as to what direction to go. The TBA is doing a great job with the Farmer's Market and there is a committee that is working on the Park improvements. Over the last several months, it has been unsure where to direct efforts.

Initially, the TBRC stepped in to help support the local businesses. Since the leadership has changed in the TBA, the need for this support has been resolved.

There have not been any meetings in the last couple months. Trustee Beck does not want to see volunteers on the TBRC upset because they are frustrated with the lack of activity for the group. Both Trustee Lange and Trustee Beck feel that if there was a project to work on, a group of individuals would be able to be put together.

President Mobley feels that the TBRC has done good work. Trustee Lange did share that Jesse Daily and Marc Mrugala's five-year commitment is almost fulfilled and would like some help from the Board for administrative/management assistance to keep the Market going and questioned if there was the capacity of the current staff to help out. A part-time employee would be ideal to help with the Market.

Administrator Robertson inquired as to how much time this would involve and suggested that maybe a part-time summer DPW hire could help and work on both Market and DPW projects. Trustee Lange will contact both Mr. Daily and Mr. Mrugala to see what their needs may be.

Trustee Kucharski believes the TBRC forced the TBA to get better. It was suggested to suspend the TBRC for the time being and meet on an as-needed basis. Both Trustee Lange and Trustee Beck agreed.

- E. Review and recommendation to Adopt Ordinance No. 2016-01 Repealing, Replacing and Renaming Article V. of Chapter 18 of the Village Code To “Street Vendors”

Administrator Robertson shared a revised copy of the Ordinance that Attorney Tim Schoonenberg prepared. Indicated in the Ordinance was the time frame suggested for when permits are issued as January to December. It was suggested that the time frame for permits to be issued be changed to April through March or May through April. There was also nothing mentioned as to setting up in a public lot and needing permission from the property owner.

Trustee Heinritz has a couple concerns. The first being street vendors on private parking lots and wondering what permits would need to be taken out. President Mobley explained that permission would need to be granted from the Village as well as the property owner. Administrator Robertson shared that a street occupancy permit would need to be taken out for a specific location.

Another concern is regarding a non-profit organization having a sale out of the back of their truck, such as Lion's Onions. There is nothing in the Ordinance now that covers these groups. The Solicitor's Permit covers door-to-door sales.

It was shared that the TBA does have concerns regarding street vendors and how it would affect the Village Market. This Ordinance addressed the Market and states that those vendors do not apply and would not need this permit.

Trustee Kucharski has solicited feedback from area businesses and the general impression was that no street vendors are wanted because it looks cluttered and it may take customers away from established businesses in the Village. It is important to look out for the businesses here in the Village. Street vendors do benefit by not paying taxes, rent, utilities and other expenses due from established businesses.

Trustee Treffert inquired as to why this Ordinance is before the Board. Administrator Robertson shared that this concern was brought up when The Village Scoop started. The Solicitor's Permit did not apply. The Village Scoop will not operate this year.

Trustee Kucharski and Trustee Treffert do not support street vendors.

- F. Presentation of Thiensville Police Department Annual Report from Police Chief Scott Nicholson

Police Chief Scott Nicholson thanked the Board for their support in 2015. The year 2015 was a difficult year for law enforcement with people questioning the trust and integrity of law enforcement officers. Police Departments have not been in positive light in the press. In the headlines, the names of the 133 officers that have lost their lives are not listed. Two of those officers were in the State of Wisconsin along with one K-9 officer. In 2015, the Department came in under budget. The Police Department conducts several programs throughout the year:

Many thanks to the entire Department for their work this past year.

Trustee Holyoke inquired as to bike patrol. Chief Nicholson reported that two officers are trained for bike patrol and staffing is going to be discussed for this summer. Trustee Treffert questioned how mutual aid is monitored. Backup is sought from Mequon, Cedarburg or Ozaukee County. Mequon will call Thiensville if needed as well. If Mequon is busy, the next step is to call Cedarburg. How many calls are made for mutual aid depends on staffing. Trustee Heinritz inquired as to how 911 calls are handled in the Village. Currently, 911 calls go the Ozaukee County Sheriff's Department and then to the Village. Mequon and Grafton are looking to acquire their own system to get the 911 call directly to them.

The tip 411-line service is a services that needs to be purchased. At this time Chief Nicholson does not feel it is in the best interest to purchase at this time.

President Mobley thanked Chief Nicholson.

MINUTES

DATE: Wednesday, March 9, 2016

TIME: 6:30 pm

I. CALL TO ORDER

Chairman Heinritz called the meeting to order at 6:34 pm.

II. ROLL CALL

Chairman: Ron Heinritz

Commissioners: Robert Blazich Joseph Miller
Henry Kolbeck Mary Giuliani
Jennifer Abraham Judy Ziebell, Excused

Guests: Mike Fagan on behalf of Dr. David Fagan, Joe Hodorowski

III. TIME & DATE OF NEXT MEETING

Wednesday, April 13, 2016 at 6:30 pm

IV. APPROVAL OF MINUTES

Approval of the minutes of the February 10, 2016,, meeting of the HPC was moved by Giuliani and seconded by Miller. Carried unanimously.

V. BUSINESS

A. The HPC was asked to approve a Certificate of Appropriateness from Dr. David Fagan, 140 South Main Street, for refacing of the Front Hanging Sign and South Side Sign. Giuliani moved to approve the Certificate of Appropriateness and Miller offered a second. The motion carried 5-1 with Abraham dissenting.

B. The HPC was asked to approve a Certificate of Appropriateness from Joe Hodorowski, 177 Green Bay Road, for a sign for JRH and Associates. Miller moved to approve the Certificate of Appropriateness and Giuliani seconded a motion to approve the sign with the following provisions: 1. If and when a future tenant occupies the second half of the building, a double occupancy sign, if requested, be placed in the same frame. And 2. The existing frame be repaired and painted. The motion carried 5-1 with Abraham dissenting..

VI. OLD BUSINESS

A The HPC discussed signs previously approved by the commission and installed at Sew What Design Studio & Alterations Shop, LLC at 140 South Main Street. The hanging sign installed by Sew What is attached to the original hanging sign but the material extends out beyond the edges of the old sign. Questions were also raised as to whether the sign as

configured was appropriate for a historic district. The discussion ended with the HPC generally in agreement that the signs were appropriate.

VII. ITEMS BY CHAIRMAN

A. Chairman Heinritz raised concerns with the newly installed directional signs at and Fiddlehead Coffee Café at 192 S. Main Street. The signs were approved by the HPC and all agreed that the signs were attractive and appropriate. The concern lies with the lighting used to illuminate the signs. The lighting is very bright and shines in the eyes of passing motorists and pedestrians. The HPC reviewed Section 16.16.E of the Village Sign Code which deals with externally lit signs. The guidelines specify that externally lit signs, “... shall have adequate shading and be directed at the sign in such a way that the lighting will not produce glare affecting oncoming vehicles.” It was agreed that the signs installed at Fiddleheads did not meet these guidelines, and Chairman Heinritz suggested that he follow-up to have this lighting problem corrected.

B. Chairman Heinritz briefly reviewed the 2016 Historic Preservation Excellence Awards Program, and it was agreed that our village does not have an appropriate candidate for this award as outlined in the eligibility criteria.

VIII. ITEMS BY COMMISSIONERS

A. Bob Blazich shared information the HT Historical Society’s search for a new location. No new location has been found, but several promising options are being pursued. Blazich also asked that future agenda wording refer to the organization as the Mequon-Thiensville Historical Society.

III. BUSINESS

- A.** Approval of Minutes
1. February 2, 2016

MOTION by Commissioner Gattoni, **SECONDED** by Commissioner Dyer to approve the February 2, 2016 Minutes. **MOTION CARRIED UNANIMOUSLY.**

- B.** Review and approval of a Projecting and Name Plate Wall Sign and Sign Waiver for the Projecting Sign, SEW WHAT Design Studio & Alterations Shop, LLC, 140 South Main Street

Jessica White, SEW WHAT Design Studio & Alterations Shop, LLC, 140 South Main Street addressed the Plan Commission. At SEW WHAT Design Studio & Alterations Shop, Ms. White teaches sewing classes, provides alterations and there is also a small retail portion in the shop.

Planner Jon Censky explained that what the applicant is proposing is to simply replace existing signs with new signs. The existing signs identify Northshore Physical Therapy, the former tenant. Proposed are three signs: two projecting signs and one name plate wall sign. This name plate wall sign is viewed as a directional sign or name plate sign which is not to exceed 2 square feet. This proposed name plate sign is 2.49 square feet. Planner Censky recommends that this sign be reduced in size to comply with the code.

The sign on the multi-tenant plaque on the North side of the building is code compliant. The only sign that is non-compliant is the second projecting sign. Code allows for only one projecting sign per building. What the Code does require is that if there is a non-conforming sign, if there is a change in signage that this new sign should be code-compliant which would mean that the new proposed projecting sign would not be allowed. Because of this, a waiver is proposed to the Commission to allow approval of the second projecting sign.

Ms. White asked for clarification as to what sign was non-compliant. Planner Censky clarified that the sign that is hanging over the sidewalk is the sign in question.

Planner Censky did inquire as to the material used to construct these signs. Ms. White stated that the material is dibond.

Planner Censky clarified that the signs proposed are not interior-lit signs.

Commissioner Kucharski inquired as to why these signs are already installed. Ms. White did explain that due to the fact that business was open and not wanting to lose any business, that these signs were installed prior to the Plan Commission meeting and would change anything that needs to be changed based on this evening's decision.

Commissioner Gengler stated that the directional name plate sign is only .49 square feet above code which amounts to only about 1/8" per side too large.

Chairman Mobley shared that with a multi-tenant building it would be helpful to allow additional signage.

Administrator Robertson inquired of Planner Censky if a waiver may be granted for the size of the directional name plate. The planner confirmed that is the case.

MOTION by Commissioner Gengler, **SECONDED** by Commissioner Luedtke to Approve the Projecting Sign, Sign Waiver for the Size of the Name Plate Wall Sign and Sign Wavier for a Second Projecting Sign, SEW WHAT Design Studio & Alterations Shop, LLC, 140 South Main Street. **MOTION CARRIED UNANIMOUSLY.**

All applicants or their contractors must be present for any approvals.

IV. BUSINESS FROM THE FLOOR

Open to any citizen who wishes to speak on items not on the agenda. Please step to the podium and give your name and address for the record.

ORDINANCE NO. 2016-02 SERIES 2016

AN ORDINANCE AMENDING 78-249
OF THE THIENSVILLE MUNICIPAL CODE
RELATING TO THE OCCUPANCY OF PUBLIC RIGHT-OF-WAY BY UTILITIES

The Village Board of the Village of Thiensville does hereby ordain as follows:

WHEREAS, pursuant to § 182.017(1r), Wis. Stats., a public utility may, subject to certain provisions of the Wisconsin Statutes and to reasonable regulations made by any municipality through which the public utilities' transmission lines or systems may pass, construct and maintain such lines or systems with all necessary appurtenances in, across or beneath any public highway or bridge; and

WHEREAS, pursuant to § 196.58(1r), Wis. Stats., the Village Board may determine by ordinance the terms and conditions upon which a public utility may be permitted to occupy the streets, highways or other public places within the Village of Thiensville; and

WHEREAS, the Village Board has considered, and desires to hereby establish, the terms and conditions for occupancy of the public rights-of-way within the Village,

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village of Thiensville that, effective upon the date of adoption of this ordinance, the following terms and conditions shall regulate and govern the occupancy of the public rights-of-way:

78-249

OCCUPANCY OF PUBLIC RIGHTS-OF-WAY BY UTILITIES

(1) General Provisions.

(a) Purpose and Findings. In the exercise of governmental functions, the Village has priority over all other uses of the public rights-of-way. The Village desires to anticipate and minimize the number of obstructions, degradation, and excavations taking place to regulate the placement of facilities in the rights-of-way to ensure that the rights-of-way remain available for public services and are safe for public use, and to ensure that facilities are timely maintained, supported, protected or relocated to accommodate reconstruction or repairs. The taxpayers of the Village bear the financial burden for the upkeep, maintenance and reconstruction of the rights-of-way and a primary cause for the early and excessive deterioration of its rights-of-way is the frequent excavation by persons who locate facilities therein.

The Village finds increased use of the public rights-of-way results in increased

costs to the taxpayers of the Village and that these costs are likely to continue into the foreseeable future.

The Village finds that the above-ground use of public rights-of-way creates special and unique public health, safety, and general welfare concerns for the Village, including, but not necessarily limited to, traffic safety, sight-line and vision triangle issues, break-away design consistent with other public utility pole or structure requirements, public snow plowing and snow storage, property access and public parking, obstruction to municipal Police, Fire, and Rescue Services, and related issues.

The Village finds that delays by occupants of the rights-of-ways in maintaining, supporting, protecting or relocating facilities, if they impact public construction projects, have the potential to significantly increase public works project costs borne by the taxpayers. Moreover, the Village finds that some right-of-way occupants have a history of delays and non-responsiveness.

The Village finds that right-of-way, by definition, is limited in area, use, and availability, and, as a result, requires regulation and limitation of use and occupancy, subject to all applicable state, federal, and constitutional laws and regulations and the provision of all necessary utility services to the public.

The Village finds that occupancy and excavation of its rights-of-way causes costs to be borne by the Village and its taxpayers, including but not limited to:

1. Administrative costs associated with public right-of-way projects, such as registration, permitting, inspection and supervision, supplies and materials.
2. Management costs associated with ongoing management activities necessitated by public right-of-way users.
3. Repair or restoration costs to the roadway associated with the actual excavation into the public right-of-way.
4. Degradation costs defined as depreciation caused to the roadway in terms of decreased useful life due to excavations in the public right-of-way.

In response to the foregoing facts and findings, the Village hereby adopts this ordinance relating to access to, administration of, and permits to excavate, obstruct and/or occupy the public rights-of-way. This ordinance imposes reasonable regulations on the placement and maintenance of equipment currently within its rights-of-way or to be placed therein in the future. It is intended to complement the regulatory roles of state and federal agencies.

The purpose of this ordinance is to provide the Village a framework within which to regulate and manage the public rights-of-way and to provide for recovery of the costs incurred in doing so. This ordinance provides for the health, safety and welfare of the residents of the Village as they use the right-of-way of the Village, as well as to ensure the structural integrity of the public rights-of-way.

(b) Definitions. The following definitions apply in this ordinance. References hereinafter to “sections” are, unless otherwise specified, references to sections in this ordinance. Defined terms remain defined terms whether or not capitalized.

“**Applicant**” means any person requesting permission to excavate, obstruct and/or occupy a right-of-way.

“**Bridge**” means any bridge or culvert or series of culvert.

“**Degradation**” means the decrease in the useful life of the paved portion of the right-of-way, excluding the sidewalk right-of-way, caused by an excavation of the right-of-way, resulting in the need to reconstruct such right-of-way earlier than would be required if the excavation did not occur.

“**Department**” means the Department of Public Works of the Village.

“**Emergency**” means a condition that (1) poses a clear and immediate danger to life or health or of a significant loss of property; or (2) requires immediate repair or replacement in order to restore service to a customer.

“**Director of Public Works**” means the Village Director of Public Works or his/her designee.

“**Excavate**” means to dig into or in any way remove or physically disturb or penetrate any part of a right-of-way.

“**Facilities**” means all equipment owned, operated, leased or subleased in connection with the operation of a public service or utility service, and shall include, but is not limited to, poles, wires, pipes, cables, underground conduits, ducts, manholes, vaults, fiber optic cables, lines and other structures and appurtenances.

“**In**”, when used in conjunction with “right-of-way”, means over, above, within, on or under a right-of-way.

“**Local representative**” means a local person or persons, or designee of such person or persons, authorized by a registrant to accept service and to make decisions for that registrant regarding all matters within the scope of this ordinance.

“Municipal Code” means the Municipal Code of the Village of Thiensville, as amended.

“Obstruct” means to place any object in a right-of-way so as to hinder free and open passage over that or any part of the right-of-way.

“Permittee” means any person to whom a permit to occupy, excavate or obstruct a right-of-way has been granted under this ordinance or under Chapter 6, Municipal Code.

“Person” means corporation, company, association, firm, partnership, limited liability company, limited liability partnership and individuals and their lessors, transferees and receivers.

“Prequalified Contractor” means a contractor approved by the Department on an annual basis to work in the right-of-way.

“Public Utility” has the meaning provided in § 196.01(5), Wis. Stats.

“Registrant” means any person who has registered with the Village to have its facilities located in any right-of-way.

“Repair” means to perform construction work necessary to make the right-of-way useable for travel or its intended use according to Department specifications, or to restore equipment to an operable condition.

“Restore” means the process by which the excavated right-of-way and surrounding area, including pavement and foundation, is reconstructed to Department specifications.

“Right-of-Way” means the surface and space above and below an improved or unimproved public roadway, highway, street, bicycle lane and public sidewalk in which the Village has an interest, including other dedicated rights-of-way for travel purposes.

“Section” without reference to the Municipal Code shall mean a subsection within this chapter 78-249.

“Village” means the Village of Thiensville, Wisconsin, a municipal corporation.

(c) Administration. The Director of Public Works or his/her designee is responsible for administration of the rights-of-way and the permits and ordinances related thereto.

(2) Registration for Right-of-Way Occupancy.

(a) Each person who has, or seeks to have, facilities located in any right-of-way shall register with the Department and pay the fee set forth in Section (4). Registration will consist of providing application information and paying a registration fee. This section shall not apply to those persons who have facilities in the right-of-way pursuant to a franchise or other agreement.

(b) No person may construct, install, maintain, repair, remove, relocate or perform any other work on, or use any equipment or any part thereof in any right-of-way unless that person qualifies as a registrant, is registered with the Department, or is a prequalified contractor.

(c) Nothing herein shall be construed to repeal or amend the provisions of a Village ordinance requiring persons to plant or maintain the parkway in the area of the right-of-way between their property and the street curb or pavement, construct sidewalks or driveways or other similar activities. Persons performing such activities shall not be required to obtain any permits under this ordinance.

(3) Registration Information. The information provided to the Department at the time of registration, in order to qualify as a registrant, shall include, but not be limited to, the following:

(a) Each registrant's name, Diggers Hotline registration certificate number, address and email address, if applicable, and telephone and facsimile numbers.

(b) The name, address and e-mail address, if applicable, and telephone and facsimile numbers of a local representative. The local representative or designee shall be available at all times. Current information regarding how to contact the local representative in an emergency shall be provided at the time of registration.

(c) A certificate of insurance on a form prescribed by the Department.

(d) If the registrant is a corporation, an LLC or LLP, a copy of any certificate required to be filed under Wisconsin Statutes as recorded and certified by the Secretary of State.

(e) A copy of the registrant's certificate of authority from the Wisconsin Public Service Commission or other applicable state or federal agency, where the person is lawfully required to have such certificate from said commission or other state or federal agency.

(f) Execution of an indemnification agreement in a form prescribed by the Department.

(g) The registrant shall keep all of the information listed above current at all

times by providing to the Department information as to changes within fifteen (15) working days following the date on which the registrant has knowledge of any change.

(4) Registration Fee. The Department shall charge an annual Registration Fee in an amount of \$50 to recover the costs incurred by the Village for processing and updating registration information.

(5) Reporting Obligations. It is in the best interests of all affected parties to attempt to coordinate construction in the public right-of-way whenever it is reasonably possible. Therefore, periodic reporting by the registrant of known construction plans will be useful to achieve this objective.

(a) Every registrant shall, at the time of registration and no later than January 1 of each year, file a construction and major maintenance plan with the Department. The Department shall make available at the time of registration, if known and approved, the Department's construction and major maintenance plan. The registrant's plan and the Department's plan shall be submitted on a form prescribed by the Department and shall contain the information determined by the Department to be necessary to facilitate the coordination and reduction in the frequency of excavations of rights-of-way. The plan shall include, but shall not be limited to, the following information:

1. The locations and the estimated beginning and ending dates of all projects planned to be commenced during the next calendar year; and
2. The tentative locations and estimated beginning and ending dates for all projects contemplated for the two years following the next calendar year.

(b) By February 1 of each year, the Department will have available for inspection in its office a composite list of all projects of which the Department has been informed in the annual plans. All registrants are responsible for keeping themselves informed of the current status of this list.

(c) Thereafter, by February 15, each registrant may change any project in its list and must notify the Department of all such changes in said list. The Department will make all such changes available for inspection in its office. Notwithstanding the foregoing, a registrant may at any time join in a project of another registrant listed by the other registrant or undertake any maintenance project not listed in registrant's plan.

(6) Permit to Install, Excavate, or Otherwise Occupy Right-of-Way Required.

(a) Permit Required. Except as otherwise provided in this ordinance or the Municipal Code, no person shall install facilities, excavate, or otherwise occupy any right-of-way without first having obtained a permit for same from the Department. A copy of any permit issued under this ordinance shall be made available at all times by the Permittee at the indicated work site and shall be available for inspection by the Department upon request.

(b) Permit Application. Application for a permit shall be made to the Department. Permit applications shall contain, and will be considered complete only upon compliance with the requirements of the following provisions:

1. Registration and qualification as a registrant with the Department if required by this ordinance.
2. Submission of a completed permit application form, including all required attachments, and scaled drawings showing the location and area of the proposed project and the location of all existing and proposed facilities that are part of applicant's proposed project.
3. Payment of all money due to the Village for all of the following:
 - a. applicable permit fees and costs as set forth below;
 - b. subject to Section (6)(b)4, unpaid fees or costs due for prior excavations;
 - c. subject to Section (6)(b)4., any loss, damage, or expense suffered by the Village because of applicant's prior excavations of the rights-of-way or any emergency actions taken by the Village.
4. The Department shall not deny an applicant an excavation permit because of a dispute between the Village and the applicant related to Section (6)(b)3.a. or c. if:
 - a. the dispute has been adjudicated in favor of the applicant; or
 - b. the dispute is the subject of any appeal filed by the applicant and no decision in the matter has as yet been rendered.

(7) Installation/Excavation/Occupancy Permit Fee. The Permit Fee shall be established by the Department in an amount sufficient to recover the costs incurred by the Village. This fee shall recover administrative and inspection costs, excavation costs, as well as degradation costs, as defined below. Payment of said fees shall be collected prior to issuance of the permit. However, the Director of Public Works may, establish a fee collection process from governmental agencies and private utilities in order to expedite the permitting system and recognize that certain excavations are deemed emergencies.

(a) **Waiving of Fees.** Fees shall not be waived unless the work involved is a direct result of the Director of Public Work's demand that facilities owned by a utility be removed or relocated or unless waived by the Village Board upon review of the Director of Public Work's decision.

(b) **Fee Schedule.** The minimum fee for each excavation permit for a single address shall be as set forth in section 11.16 of the Municipal Code. The fee for a permit issued after commencing work, except in cases of emergency as determined by the Director of Public Works, shall be double the fees set forth herein. This permit fee shall be in addition to any forfeiture provided elsewhere in the Municipal Code.

For those permit applications which provide for a substantial undertaking of excavation within the public right-of-way attended by disruption of the general public and traffic, the Director of Public Works is authorized to assess the actual cost of the Village employee's time engaged in the review and inspection of the anticipated work, multiplied by a factor determined by the respective department to represent the Village's cost for statutory expense, benefits, insurance, sick leave, holidays, vacation and similar benefits, overhead and supervision, said factor not to exceed 2.0, plus the cost of mileage reimbursed to Village employees which is attributed to the work, plus all consultant fees associated with the work at the invoiced amount plus ten percent (10%) for administration.

(c) **Village Exemption.** The Village and its contractors shall not pay degradation fees for excavations due to general government functions.

(d) **Permit fees paid for a permit that the Department has revoked are not refundable.**

(8) Right-of-Way Repair/Restoration.

(a) The Permittee shall be required to repair the public right-of-way to Department specifications, subject to inspection and acceptance by the Department. In addition to repairing its own work, the Permittee must repair the general area of the work, and the surrounding areas, including the paving and its foundations, to the specifications of the Department. The Department shall inspect the area of the work and accept the work when it determines that proper repair has been made, per specifications of the Department.

(b) Guarantees. The Permittee guarantees its work and shall maintain it for thirty-six (36) months following its completion. During this period it shall, upon notification from the Department, correct all work to the extent necessary, using the method required by the Department. Said work shall be completed within ten (10) calendar days of the receipt of the notice from the Department, not including days during which work cannot be done due to circumstances constituting force

majeure.

(c) Failure to Repair/Restore. If the Permittee fails to repair/restore the right-of-way in the manner and to the condition required by the Department, or fails to satisfactorily and timely complete all work required by the Department, the Department at its option may do such work. In that event the Permittee shall pay to the Village, within thirty (30) days of billing, the cost of repairing/restoring the right-of-way.

(9) Inspection.

(a) Notice of Completion. When the work under any permit hereunder is begun and completed the Permittee shall notify the Department.

(b) Site Inspection. Permittee shall make the work site available to the Department and to all others as authorized by law for inspection at all reasonable times during the execution of and upon completion of the work.

(c) Authority of Department. At the time of inspection the Village may order the immediate cessation of any work which poses a threat to the life, health, safety or well-being of the public. The Village may issue an order to the registrant or Permittee for any work that does not conform to applicable Village standards, conditions or codes. The order shall state that failure to correct the violation will be cause for revocation of the permit. Within ten (10) days after issuance of the order, the registrant or Permittee shall present proof to the Department that the violation has been corrected. If such proof is not presented within the required time, the Department may revoke the permit pursuant to Section (12).

(10) Ongoing Management Fees. The cost of trimming trees around facilities is an ongoing expense to the Village. Such costs will be determined and a fee to offset costs may be assessed against permit holders in the future.

(11) Compliance with Other Laws. Obtaining a permit to excavate, install and/or occupy the right-of-way does not relieve Permittee of its duty to obtain all other necessary permits, licenses, and authority and to pay all fees required by any other Village, county, state, or federal rules, laws or regulations. A permittee shall comply with all requirements of local, state and federal laws. A permittee shall perform all work in conformance with all applicable codes and established rules and regulations, and is responsible for all work done in the right-of-way pursuant to its permit, regardless of who performs the work.

(12) Revocations, Suspensions, Refusals to Issue or Extend Permits.

(a) The Department may refuse to issue a permit or may revoke, suspend or refuse to extend an existing permit if it finds any of the following grounds:

1. The applicant or Permittee is required to be registered and has not done so.
2. Issuance of a permit or installation of facilities for the requested date or location would interfere with an exhibition, celebration, festival or other event.
3. Misrepresentation of any fact by the applicant or Permittee.
4. Failure of the applicant or Permittee to maintain required bonds and/or insurance.
5. Failure of the applicant or Permittee to complete work in a timely manner.
6. The proposed activity is contrary to the public health, safety or welfare.
7. The proposed activity requires above-ground structures causing safety issues including, but not limited to, sight-line safety, vision triangles, break-away structures, public plowing and snow storage, obstruction to municipal Police, Fire, and Rescue services, and related issues with the use of the right-of-way.
8. The extent to which right-of-way space where the permit is sought is available.
9. The competing demands for the particular space in the right-of-way.
10. The availability of other locations in the right-of-way or in other rights-of-way for the facilities of the Permittee or applicant.
11. The applicability of Village ordinances, or other regulations of the right-of-way, including, but not limited to, Sections 86.16 (prohibiting interference with use of highway by the public) and 182.17 (prohibiting poles in front of residence or occupied business), Wis. Stats., that affect the location, type, height, size and/or use of facilities in the right-of-way.

(b) Discretionary Issuance. The Department may issue a permit where issuance is necessary (a) to prevent substantial economic hardship to a customer of the Permittee or applicant, or (b) to allow such customer to materially improve its utility service, or (c) to allow the Permittee or applicant to comply with state or federal law or Village ordinances or an order of a court or administrative agency.

(c) Appeals. Any person aggrieved by a decision of the Department revoking, suspending, refusing to issue or refusing to extend a permit may file a request for review with the Village Board. A request for review shall be filed within ten (10) days of the decision being appealed. Following a hearing, the Village Board may affirm, reverse or modify the decision of the Department.

(13) Work Done Without a Permit.

(a) Emergency Situations. Each registrant shall immediately notify the Village by verbal notice on an emergency phone number provided by the Village of any event regarding its facilities that it considers to be an emergency. The registrant may proceed to take whatever actions are necessary to respond to the emergency. Within two business days after the occurrence of the emergency, the registrant shall apply for the necessary permits, pay the fees associated therewith and otherwise fully comply with the requirements of this ordinance. If the Village becomes aware of any emergency regarding a registrant's facilities, the Department may attempt to contact the local representative of each registrant affected, or potentially affected, by the emergency. The Village may take such action it deems necessary to protect public safety as a result of the emergency, the cost of which shall be borne by the registrant whose facilities occasioned the emergency.

(b) Non-Emergency Situations. Except in an emergency, any person who, without first having obtained the necessary permit, excavates, installs facilities within or otherwise attempts to occupy a right-of-way shall be subject to a stop-work order or other appropriate legal remedy, and must subsequently obtain a permit, and shall, in addition to any penalties prescribed by the Municipal Code, pay double the normal fee for said permit, pay double all the other fees required by this ordinance or other provisions of the Municipal Codes, deposit with the Department the fees necessary to correct any damage to the right-of-way, and comply with all of the requirements of this ordinance.

(14) Location of Facilities.

(a) Underground. Unless in conflict with state or federal law, except when existing above-ground facilities are used, the installation of new facilities and replacement of old facilities shall be done underground or contained within buildings or other structures in conformity with applicable codes.

(b) Limitation of Space. The Department may prohibit or limit the placement of new or additional facilities within the right-of-way if there is insufficient space to accommodate all of the requests of persons to occupy and use the right-of-way. In making such determination, the Department shall strive to the extent possible to accommodate all existing and potential users of the right-of-way, but may

prohibit or limit the placement of new or additional facilities when required to protect public health, safety or welfare.

(c) Attachment to Bridges. Whenever an applicant or Permittee under this section requests permission to attach pipes, conduits, cables or wires to any Village bridge structure, the applicant shall pay a fee of \$1,000 upon the granting of such permission to defray administrative expense in the analysis and inspection of such installation. The owner of such pipes, conduits, cables or wires shall be entitled to no compensation for removal or relocation of the same in the case of repair, removal, or replacement of said bridge structure by the Village.

(15) Relocation and Protection of Facilities. A registrant shall promptly and at its own expense maintain, support, protect or relocate its facilities in the right-of-way whenever the Village, or its agent, acting in its governmental capacity, requests such action to allow for public work in the right-of-way. The Village, or its agent, shall issue a due date for the work to the local representative of not less than seventy-two (72) hours, which due date shall be reasonable and based upon the actions to be undertaken by the registrant. If requested, the registrant shall restore the right-of-way following the completion of the work. If a registrant fails to perform the actions required herein by the due date, in addition to all other available legal remedies available to the Village, the registrant shall be subject to forfeitures as provided in the Municipal Code. . Notwithstanding the foregoing, a person shall not be required to remove or relocate its facilities from a right-of-way which has been vacated in favor of a nongovernmental entity unless the reasonable costs thereof are first paid to the person therefore.

(16) Village Right to Self-Help. In the event that a registrant does not proceed to maintain, support, protect or relocate its facilities as ordered in (15), the Village may arrange to do the work and bill the registrant, said bill to be paid within thirty (30) days of the date mailing to the registrant.

(17) Abandoned Facilities.

(a) Discontinued Operations. A registrant who has determined to discontinue its operations in the Village must either:

1. Provide information satisfactory to the Department that the registrant's obligations for its facilities under this ordinance have been lawfully assumed by another registrant; or
2. Submit to the Department a proposal and instruments for dedication of its facilities to the Village. If a registrant proceeds under this clause, the Village may, at its option:
 - a. accept the dedication for all or a portion of the facilities; or

b. require the registrant, at its own expense, to remove the facilities in the right-of-way at ground or above-ground level; or

c. require the registrant to post a bond or provide payment sufficient to reimburse the Village for reasonably anticipated costs to be incurred in removing the facilities.

However, any registrant who has unusable and abandoned facilities in any right-of-way shall remove it from that right-of-way within two years, unless the Department waives this requirement in writing.

(b) Abandoned Facilities. Facilities of a registrant who fails to comply with Section (17)(a)1., and which, for two (2) years, remain unused shall be deemed to be abandoned. Abandoned facilities are deemed to be a public nuisance. In addition to any remedies or rights it has at law or in equity, the Village may, at its option (i) abate the nuisance, (ii) take possession of the facilities, or (iii) require removal of the facilities by the registrant, or the registrant's successor in interest.

(c) Public Utilities. This Section (17) shall not apply to a public utility, as defined in § 96.01(5), Wis. Stats., that is required to comply with § 196.81, Wis. Stats.

(18) Reservation of Regulatory and Police Powers. The Village, by the granting of a permit to excavate, install facilities within, obstruct and/or occupy the right-of-way, or by registering a person under this ordinance, does not surrender, in any manner or to any extent lose, waive, impair or lessen the lawful powers and rights which it now has or which may be hereafter granted to the Village under the Constitution and statutes of the state of Wisconsin to regulate the use of the right-of-way by the permittee; and the permittee, by its acceptance of a permit to excavate, obstruct and/or occupy the right-of-way or of registration under this ordinance, agrees that all lawful powers and rights, regulatory powers, or otherwise as are or the same may be from time to time vested in or reserved to the Village, shall be in full force and effect, and permittee is subject to the regulatory and police powers of the Village to adopt and enforce general ordinances and ordinances necessary to the health, safety and welfare of the public, and is deemed to agree to comply with all applicable general ordinances and ordinances enacted by the Village pursuant to such powers.

(19) Severability. If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held invalid or unconstitutional by any court or administrative agency of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions thereof.

(20) Penalty. Except as otherwise provided herein, and in addition to all other legal remedies available to the Village, any person who violates this ordinance or fails to

comply with the provisions hereof shall be subject to forfeitures as provided in the Municipal Code.

(21) Effective Date. This ordinance shall be effective upon publication

Approved by the Village Board of the Village of Thiensville this _____th day of April, 2016.

VILLAGE OF THIENSVILLE

Resolution 2016-06

Establishing a New Special Revenue Fund

WHEREAS, management has recommended establishing a special revenue fund to accumulate resources for future village park projects, AND:

WHEREAS, management recommends that the grant and donation revenues and other resources of the Park Improvement Special Revenue Fund be committed for the improvement of Village Park AND;

NOW, THEREFORE, BE IT RESOLVED that the Village Board of the Village of Thiensville accepts the aforementioned recommendation;

PASSED AND ADOPTED by the Village Board of the Village of Thiensville, County of Ozaukee, State of Wisconsin on this 18th day of April, 2016.

Van A. Mobley, Village President

Amy L. Langlois, Village Clerk

**PROCLAMATION
IN HONOR OF ARBOR DAY**

WHEREAS, In 1872 J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

WHEREAS, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

WHEREAS, Arbor Day is now observed throughout the nation and the world, and

WHEREAS, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife, and

WHEREAS, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

WHEREAS, trees in our Village increase property values, enhance the economic vitality of business areas and beautify our community, and

WHEREAS, trees, wherever they are planted, are a source of joy and spiritual renewal;

WHEREAS, in 2016 the Village of Thiensville became a Tree City USA;

NOW, THEREFORE BE IT PROCLAIMED that the Thiensville Village Board, hereby proclaims April 29, 2016 as “ARBOR DAY” in the Village of Thiensville, and urge all citizens to support efforts to care for our trees and woodlands and to support our Village’s community forestry program; and, further, urge all citizens to plant trees to gladden the hearts and promote the well-being of present and future generations.
