*Work is Starting*

## A Look Back:

- Locations for concrete pavement repairs and curb and gutter repairs were marked out.
- Construction traffic control devices were delivered and staged.
- Corrugated medians were milled smooth in preparation for the 1<sup>st</sup> phase of concrete repairs

## A Look forward:

- 1<sup>st</sup> phase traffic control will begin
- Concrete removals and repairs will begin on the southbound side of Main Street

*Milling the Corrugated Medians*

## Traffic Control:

- The southbound lane will be closed, south bound traffic will be shifted to the center lane.
- There will be no on street parking on Main Street south of Green Bay Road / Buntrock Avenue

**As a reminder the lanes on Main Street will be narrow, please slow down and use caution when passing workers and equipment. Please be patient and expect some delays.**
