

Main Street - Weekly Update 3 (4-18-16 to 4-22-16)

Concrete Pavement Repair Awaiting Concrete

Fresh Concrete Curing

A Look Back:

- Remove deteriorated concrete pavement and curb and gutter
- Install reinforcing steel to the outside edges of the concrete repairs
- Pour concrete in the repairs

A Look forward:

- Pour stamped colored concrete crosswalks
- Restore disturbed terrace areas with topsoil, grass seed, and mulch.
- Prepare to move to the second phase traffic configuration

Traffic Control:

- The southbound lane will be closed, south bound traffic will be shifted to the center lane.
- There will be no on street parking on Main Street south of Green Bay Road / Buntrock Avenue

As a reminder the lanes on Main Street will be narrow, please slow down and use caution when passing workers and equipment. Please be patient and expect some delays. Watch for trucks and equipment moving in and out of the work area.
